Shubham Kumar Verma

Address: Kundi, Varanasi, Uttar Pradesh, India

Mobile No.: 9451348244

Email Id: shubhamverma945134@gmail.com

Career Objective

To continuously enhance my professional skills, optimize business processes, and contribute to organizational success through dedication, innovation, and a commitment to excellence. My goal is to deliver maximum value, drive efficiencies, and support the long-term growth and vision of the company.

Academic Qualifications

Course	Institute	Board/University	Year of Passing	Percentage
B.Tech (CSE)	Shri Ram Murti Smarak College of Engg. & Tech., Bareilly, U.P.	Dr. APJ Abdul Kalam Technical University, Lucknow	**2025**	**67.88% (Till 6th Semester)**
XII (12th)	M.P.B.I.C., Narayanpur Kaniyar, Varanasi	UP Board	**2021**	**73.22%**
X (10th)	MAA Bhagwati CKP, Baragaon, Varanasi	UP Board	**2019**	**71.22%**

Additional Certifications / Value-Added Courses

Course	Institution	Year
Artificial Intelligence	Livewire, Bareilly, Rampur Garden	**2023**
Full-Stack Development with Python and Django	Softpro India Computer Technologies Pvt. Ltd	**2024**
Python Programming	SRMS CET	**2022**

Areas of Special Interest

Web Development

UI/UX Design

Problem-Solving

Technical Proficiencies

- ➢ **Programming Languages**: Python, C, Java, JavaScript
- ➢ **Frontend Technologies**: HTML, CSS, Bootstrap, Tailwind CSS
- ➢ **Backend Technologies**: Python, PHP, Django
- ➢ **Databases**: MySQL
- ➢ **Developer Tools**: Git, GitHub, Visual Studio Code

Projects

1. Project Title: E-commerce Website

- ➢ Duration: 2 Months
- ➢ Organization: Shri Ram Murti Smarak College of Engineering & Technology (SRMS CET)
- ➢ Description:

  Designed and developed a fully functional e-commerce website using PHP, HTML, CSS, and JavaScript. The platform includes features like product browsing, shopping cart functionality, and a secure checkout process, ensuring a seamless user experience.

> ## Key Learnings/Observations

1. Gained hands-on experience in full-stack web development, emphasizing PHP as the backend technology.
2. Enhanced front-end development skills using HTML, CSS, and JavaScript.
3. Learned to integrate front-end and backend components to create dynamic, user-friendly applications.

> ## Accomplishments

- Successfully built a responsive and interactive e-commerce platform.
- Developed a solid understanding of PHP integration with front-end technologies.
- Improved project management and debugging skills while collaborating with team members.

2. Project Title: Online Education Platform

> Duration: 4 Months
> Organization: Shri Ram Murti Smarak College of Engineering & Technology (SRMS CET)
> Description:

Developed an online education platform designed to provide accessible, interactive learning experiences. The platform includes various educational resources, courses, assessments, and communication tools for both instructors and students, facilitating efficient online learning and collaboration.

> ## Key Learnings/Observations

1. Improved proficiency in web development languages such as HTML, CSS, JavaScript, and PHP.
2. Gained experience in database management with MySQL for storing user data, course content, and assessments.

3. Understood the importance of creating user-friendly interfaces and responsive designs in educational platforms.
4. Learned how to integrate dynamic content and manage real-time interactions between users.

➢ **Accomplishments:**

1. Developed core front-end features using HTML, CSS, and JavaScript.
2. Built the back-end functionality using PHP to handle dynamic content.
3. Integrated MySQL databases to manage course content, user data, and assessments.

Internships Undertaken

3. Project Title: Library Management System (LMS)

➢ Duration: 1 Month
➢ Organization: Softpro India Computer Technologies Pvt. Ltd
➢ Description:

Developed a web-based Library Management System to streamline the daily operations of a library, including managing books, members, borrowing/returning transactions, and fines. The system automates key functions, enhancing efficiency for both librarians and users.

➢ **Key Learnings/Observations**

1. Gained experience in front-end development using HTML, CSS, JavaScript, and Bootstrap to design a responsive and user-friendly interface.
2. Developed a deeper understanding of server-side scripting with Python and Django for back-end operations.
3. Worked with relational databases (MySQL) to efficiently store and retrieve library data.

➢ **Accomplishments:**

1. Successfully designed and implemented the LMS application within one month.
2. Created a user-friendly interface that enables librarians and users to easily manage books, members, and transactions.
3. Integrated features such as book search, user registration, and borrowing/returning processes.
4. Implemented user authentication and authorization for secure access.
5. Established efficient data management with MySQL and ensured data consistency.
6. Designed a responsive UI using Bootstrap, ensuring accessibility across various devices (desktops, tablets, mobile phones).

Conferences/Workshops Attended

1. Netcamp Solutions Pvt Ltd

- Topic: Networking and Ethical Hacking
- Date: March 2024
- Location: Shri Ram Murti Smarak College of Engineering & Technology, Bareilly, UP
- **Description:**
  Attended a workshop focused on networking principles and ethical hacking practices. The session covered various techniques for securing networks, identifying vulnerabilities, and ensuring data privacy. The workshop provided hands-on experience in network setup, penetration testing, and ethical hacking tools.
